

# RIGHTSUM<sup>TM</sup> Quick Start Guide: Creating Your Account

Steps to Create Your Account	
<b>1. Click the registration link in your email</b>	See this important link in your registration request email.
<b>2. Review and sign the online agreement</b>	You must be an authorized representative for your company.
<b>3. Create your username and password</b>	Keep this in a secure place!
<b>4. Supply your payroll reporting information</b>	Select your payroll frequency, enter the dates of your most recent payroll period and choose a payroll reporting method.
<b>5. If using "payroll provider" reporting...</b>	<p>Click "payroll provider" and search for your provider.</p> <p><i>Note: If they don't appear, follow the instructions to have them added. This should take 2-3 business days. In the meantime, simply use the convenient upload feature to "self-report" via a spreadsheet (using the acceptable registered format or template). ADP Intuit and PayChex have declined to participate in this program; if this is your provider, simply use the upload feature.</i></p>
<b>6. Enter your policy contacts</b>	Let us know your contacts for the identified items. Provide a mobile number for "immediate action required" text messages related to payment issues.
<b>7. Enter your banking information</b>	Provide your banking information to complete your registration — bank name, account and routing number.

**Once completed, your RIGHTSUM<sup>TM</sup> active policy notification email will arrive in a few days outlining your next steps!**
